Note 2

Our Warrant Officer ranks are from Pavel Mococho and are different from some sources such as http://en.wikipedia.org/wiki/Ranks_and_insignia_of_NATO_Armies_Enlisted. This source, like Mococho, has three WO grades but the names are different. Another Wikipedia source uses the same names as the above Wikipedia source, but includes a fourth WO grade. See http://en.wikipedia.org/wiki/Polish_Armed_Forces_rank_insignia

There is no officer in the rank of Field Marshal at this time.
